Stain Removal Tips:

Necessary Concoctions:

- Stain Removal Supplies: White Vinegar, Ammonia, Hydrogen Peroxide, Tide, Borax Bar Soap
- Drycleaning Solvent: Available in grocery or drug stores; can be poisonous and/or flammable.
Do Not Breathe fumes. Never, never, never dry in a dryer! Brand: Look for Guardsman
- Dry Spotter: Mix 1 part Coconut Oil with 8 parts Drycleaning Solvent
- Wet Spotter: Mix 1 part Glycerine (available in drug stores), 1 part Liquid Dishwashing Detergent, 8 parts water ... Shake well before use
- **Be sure to Store All Chemicals Safely Away From Children!**

Stain Amelioration Procedures:

- Crayon, Make-Up, Grease, Mascara, Oil, Paint, Shoe Polish: Sponge with drycleaning solvent. Apply dry spotter and cover with absorbent pad soaked in dry spotter. Remove pad. Flush with drycleaning solvent. Repeat until pad comes away clean. Allow to dry. Sponge with water. Apply wet spotter & a few drops of ammonia and cover with pad soaked in wet spotter. Remove pad. Repeat until pad comes up clean. Flush with water, wash with borax bar soap. Wash normally in machine.
- Catsup, Cheese, Chocolate, Gravy, Dairy & Food Products: Same as above procedure except substitute liquid dishwashing detergent for wet spotter. Before washing, soak 30 minutes in solution of Tide and water. For chocolate, bleach with hydrogen peroxide for 5 minutes.
- Blood, Body Fluids, Vomit, Organic Stains: Soak in solution of 1 quart warm water, 1/2 tsp. liq. dish detergent, and 1 tbsp. ammonia for 15 minutes. Repeat. Soak in 1 quart warm water with 1 tbsp tide for 30 minutes. Rub with borax bar soap and keep moist. For blood, use hydrogen peroxide. Then wash normally in machine.
- Rust, Ballpoint Ink, Grass, Wine, Scorch: Call Your Dry Cleaner or other Professional

For all final machine washes of stains, add one capful of white vinegar.
